Editorial Policy

This report is being published to set out the Isuzu Group's activities regarding ESG issues that are considered important by both stakeholders and the Isuzu Group.

Scope of Report

The report covers activities undertaken by the Isuzu Group in Japan and overseas, centered on Isuzu Motors Limited.

* The term Isuzu and Isuzu Corporation in this text refer to Isuzu Motors Limited as an individual entity. On the other hand, Isuzu Group and consolidated refer to the Isuzu Group, including its subsidiary companies.

Period Covered

In principle, the report covers activities from April 1, 2022 to March 31, 2023 (FY2023); however, some content covers activities that occurred subsequent to the reporting period.

Publication Information

Published September 2023
(Next report: scheduled for September 2024)

Referenced Guidelines

GRI Sustainability Reporting Standard
* Unified international guidelines formulated by the GRI (Global Reporting Initiative), an international NPO, in an attempt to improve the quality, reliability, and comparability of the content of Sustainability reports.

Forward-looking Statements

This report contains not only information on the past and present but also future projections based on plans, forecasts, and management policies and strategies as of the date of publication. These forward-looking statements are based on assumptions and judgments made in light of the information available to us at the time they were made. Please note that changes in various factors could cause actual results or events to differ materially from what is described in our projections. Any revisions or repetitions of the information provided in previous reports and material changes to this information are included in this report. We ask our readers to be cognizant of the above.
