

# Profile

Founded in 1916, Isuzu Motors Limited is one of Japan’s oldest automobile manufacturers. Our success in developing Japan’s first air-cooled diesel engine and consistent leadership in Japan’s truck industry testify to our dedication to uncompromising craftsmanship in everything we do. Isuzu commercial vehicles like the N-Series (ELF), a model that has become synonymous with excellence in light-duty trucks, deliver state-of-the-art safety, economy, and environmental performance in more than 120 countries worldwide, where they are known for rock-solid dependability.

Today, Isuzu is working to achieve sustainable growth and development by providing the global market with the innovative products and services that customers demand. We will forge a richer future through technologies, products, production systems, and customer support that will become the next generation global standards.
