

Impact of Flooding in Thailand on Isuzu Operations

November 15, 2011

Following is the most recent information regarding the impact of the flooding in Thailand on operations of Isuzu and its consolidated subsidiaries.

Isuzu vehicle production at Isuzu Motors Co., Thailand Ltd (IMCT) is suspended until Friday, November 18, 2011 and we are scheduling to resume vehicle from Monday, November 21, 2011.

In respect to the operation level after production is resumed, Isuzu will make decisions in light of parts supply chain and logistics condition.
