Summary of Isuzu CSR Report 2015

[Message from President]

- In this section you can read messages from President Katayama about the CSR initiatives by Isuzu and Isuzu Group.

*Masanori Katayama was appointed as President and Representative Director of Isuzu in June 2015.

[Focus]

- This section includes explanations about activities by P.T. Isuzu Astra Motor Indonesia (an Indonesian company in charge of assembling & sales of Isuzu vehicles) in such fields as education, health, environment, and income generation.

[Reports on each field of CSR initiatives]

- These are sections where you can read details about basic policies for initiatives, systems to promote them, and achievements for fiscal 2014 for each of the following seven fields: social contribution, environment, quality, respect for employees, harmony with local communities, information disclosure, and compliance.

-

[Corporate governance / Supply chain management]

- This section offers you details about basic approach to, and vision and policy for these areas.

[Environmental impact data]

- This section features environmental impact data (e.g., CO₂ emissions, CO₂ unit per production process, amount of landfill waste, and so forth) and environmental accounting.

[Third-party opinion]

- In this section you can read an opinion by Mr. Toshiya Nishigori, United Nations Development Programme Representation Office in Tokyo.

Lastly, Isuzu would like to inform you that the website for its CSR initiatives has been redesigned so that you can see Isuzu's CSR activities in a timely manner.
