

Received letter of gratitude for support of Kanagawa Philharmonic Orchestra

Since 2013 Isuzu has supported the Kanagawa Philharmonic Orchestra, which was founded in order to "create regionally-focused musical culture." In February of this year the Orchestra helped with a class about experiencing the arts at an elementary school near the Isuzu Fujisawa Plant.

In response to Isuzu's support, on July 8th Yuji Kuroiwa (Governor of Kanagawa Prefecture), as representative of the Kanagawa Philharmonic Supporters Organization, offered Isuzu a letter of gratitude.

The Letter was presented by Shuji Oishi (left), Managing Director of the Kanagawa Philharmonic Orchestra, on behalf of Mr. Kuroiwa.
