

"Smart With Isuzu" Scholarships Presented to Children of Isuzu Car Drivers (Indonesia)

August, 2016

Every year, P.T. Isuzu Astra Motor Indonesia (IAMI) presents scholarships to support children of Isuzu car drivers as they enter school.

Screening is carried out on the children of Isuzu car drivers and mechanics throughout Indonesia, 170 of whom received this scholarship in 2016. The presentation ceremony was held on August 17 at the Indonesia Motor Show arena.

All smiles at the scholarship presentation ceremony with children from communities near Jakarta
