

Educational vehicle donated to industrial college (Isuzu Motors Kyushu Co., Ltd.)

On October 4, Isuzu Motors Kyushu (Fukuoka-shi, Fukuoka Prefecture), Isuzu Motors Sales (Shinagawa-ku, Tokyo) and Isuzu Motors donated an Elf truck to Saga Industrial College (Saga -shi, Saga Prefecture) for educational use. It is hoped that this educational vehicle will help students acquire more advanced automotive engineering skills and increase their interest and familiarity with trucks by letting them handle this stalwart of the Japanese logistics system.
