Notice on Publication of Isuzu CSR Report 2017

Isuzu Motors Limited (headquartered in Shinagawa, Tokyo and headed by Masanori Katayama, President and Representative Director, hereinafter called "Isuzu") has issued the Isuzu CSR Report since 2012, which features its CSR activities accomplished by Isuzu Group.

The purpose of the CSR Report is to provide all stakeholders a better understanding of the CSR activities undertaken by Isuzu Group. Through this report, we intend to better communicate with our stakeholders and also aim to further evolve the Group's CSR initiatives in order to meet the expectations of our stakeholders and society.

In this year's report, we have reviewed information disclosure in response to the GRI Guidelines 4th Edition (G4), the international guidelines for sustainability reporting published in May 2013.

Please note that the printed version of CSR Report is no longer published to help conserve energy. Now only the PDF version is available and the CSR Report 2017 can be conveniently downloaded from the Isuzu website at your convenience
