

Mukawa Shishamo Family Relay Race Competition 2017

On Oct. 15, the 2017 Mukawa Shishamo Family Relay Race hosted by Mukawa-machi in Hokkaido etc. was held. This was the 14th time this race has been held, with the WAcorn Hokkaido Test Course (one lap is 4.4km) used for this relay race and marathon race.

A total of around 3500 participants, including 1213 visitors from all over Japan, from elementary school children to adults participated, divided into races for different groups and distances. The event was a great success and participants also enjoyed the stalls selling local-specialties from Mukawa-machi and a prize lottery draw.

The starting line of the 8km relay race.

The Isuzu team also enjoyed their run.
