

Activities in FY2017 : TABLE FOR TWO (TFT) Program, Food Drive, Eco Cap, and With Second-hand Books!  
Children's Forest Project Support

#### **FY2017 TABLE FOR TWO (TFT) Program Results**

Isuzu operates a TABLE FOR TWO (hereafter, "TFT") program in its employee cafeteria and café to enable our employees to live and eat healthily, while at the same time contributing to society. Each time an employee orders something from the Healthy Menu or buys a Healthy Drink, 10 JPY is collected from the employee which Isuzu matches with another 10 JPY, making a total of 20 JPY. Combined with collections from donation boxes, this money is used to provide school meals for children suffering from famine and poverty in developing countries through the NPO, TABLE FOR TWO International.

- FY2017 results; FY2016 results are shown in brackets.

Area	School meals provided (equivalent value)
Omori Head Office	12,618
Fujisawa	2,975
Tochigi	1,272
Total	16,865 (18,740)

\* The TFT program is currently being implemented in six countries of Uganda, Ethiopia, Kenya, Tanzania, Rwanda, and the Philippines, all of which are countries in which Isuzu operates.

#### **FY2017 Food Drive Activities Results**

Food Drive activities performed by Isuzu involve employees bringing from home any foods and ingredients that are nearing their best-before date and donating them to welfare facilities and institutions in the region through the certified NPO, Second Harvest Japan, to reduce loss due to food waste and contributing to social welfare.

- FY2017 results (held three times in June, October and February)

Area	Number of participants
Omori Head Office	82
Fujisawa	93
Tochigi	21
Total	196

#### FY2017 Eco Cap Activities Results

The Eco Cap Activity uses PET bottle caps provided and collected by Isuzu employees to fund polio vaccines for children in developing countries and as donations to disaster-affected areas from the Kumamoto earthquake through social action programs run by elementary schools in Kanagawa Prefecture.

- FY2017 results; FY2016 results are shown in brackets.

Area	Bottle caps collected	Notes
Omori Head Office	90,083	Donations to disaster-affected areas in Kumamoto through social action programs run by elementary schools.
Fujisawa	704,160	Provided Polio vaccines for 1,408 people* through NPO corporations. See Note 1.
Tochigi	280,960	Provided Polio vaccines for 561 people through NPO corporations.
Total	1,075,203 (1,179,782)	

Note 1: Calculations are based on 500 caps equaling one Polio vaccine.

## FY2017 With Second-hand Books! Children's Forest Project Support Activities Results

The Children's Forest project is implemented by the public interest incorporated foundation, OISCA, to support initiatives in which children plant and care for trees in their schools and local communities themselves, to help instill in children an awareness of the importance of greenery and a love of nature. In this project, Isuzu employees donate used books and their sale value is then donated to the "Children's Forest" project.

- FY2017 results; FY2016 results are shown in brackets.

Area	Number of used books donated
Omori Head Office	544
Fujisawa	1,315
Tochigi	8
Total	1,867 (4,028)

\* The "Children's Forest" project is currently active in 36 countries (including Japan, China, India, Indonesia, the Philippines and Thailand), most of which are countries in which Isuzu operates.
